How does the LMS benefit you?

- **Registration**: Quickly and easily register for all MiTEC training courses with just the click of a button.

- **Tracking/Organization**: All student weatherization educational information will be housed in one location (completed courses, certificates earned, upcoming classes, etc.).

- **Future Advantages**: e-learning, increased user interaction, and much more!
  - Manager approvals and reporting capabilities (managers will need to have an account in the system to take advantage of this option).
Did you sign up for Crew Leader, The Successful EA or LSW/IAQ through the conference registration link and do NOT already have an LMS account?

- Please come see me at the Registration desk!
  - Not only do we want to ensure that everyone has an account in the LMS before they leave the conference, but you will need one to get the credit you’ve earned for these sessions.
  - It takes less than 4 minutes to complete the pre-registration survey that provides all the needed details to create your account.
LET’S TALK LMS…

How can I get help?

- MiTEC Program Assistant and Administrator of the Learning Management System (LMS)
